

A Thousand Generations

Give thanks to the Lord. Call on His name

Declare His greatness in every place

Seek His presence. Know His grace

Walk in the freedom of His embrace

We will tell of Your wondrous works

We will sing of Your glory here on earth

For Your holy name is our delight

As we seek You

He is the Lord our God

Strong and faithful one

We'll sing of Your great love

For a thousand generations

Oh for a thousand tongues to sing

Our redeemer's praise we bring

The glory of our God and King

You are worthy

You broke the power of our sin

Set the prisoner free within

Your blood has made us whole again

You are worthy
