

# White As Snow

Lord Jesus, I can be whole;  
You can forever, live in my soul;  
You can break down the idols and cast out the foes—  
And I can be white as snow.

Let nothing unholy remain,  
Apply Your sweet blood and extract every stain;  
To get this blessed cleansing, all things I forego—  
So I can be white as snow.

Your blood poured out changes everything  
My heart, my life, my all  
Grace undeserved through the cross you endured  
Now I can be white as snow  
Now I can be white as snow

Lord Jesus, for this my heart pleads,  
By faith for my cleansing, I see Your blood flow—  
So I can be white as snow.  
So I can be white as snow.

Your blood poured out changes everything  
My heart, my life, my all  
Grace undeserved through the cross you endured  
Now I can be white as snow  
Your blood poured out changes everything  
My heart, my life, my all  
Grace undeserved through the cross you endured  
Now I can be white as snow  
I can be white as snow  
Now I can be white as snow

This blessing received from above;  
Oh, glory! my soul is made perfect in love;  
My prayer has prevailed, and this moment I know,  
Now I can be white as snow.
